STATE OF CALIFORNIA
HAZARD MITIGATION PLAN

SEPTEMBER 2018

2018 STATE OF CALIFORNIA HAZARD MITIGATION PLAN

PREPARED BY:

California Governor's Office of Emergency Services
3650 Schriever Avenue
Mather, CA 95655
www.caloes.ca.gov

WITH VALUABLE INPUT FROM:

California State Hazard Mitigation Team Members

AND WITH SUPPORT FROM:

California Polytechnic State University
City and Regional Planning Department
Faculty Advisors and Consultants
San Luis Obispo, CA 93407

SEPTEMBER 2018

TEAM ACKNOWLEDGMENTS

CALIFORNIA STATE HAZARD MITIGATION TEAM

The Director of the California Governor's Office of Emergency Services (Cal OES) wishes to thank the members of the State Hazard Mitigation Team (SHMT) for their guidance and support in the development of the 2018 State Hazard Mitigation Plan. Additionally, the contributions of representatives of federal, state, tribal, and local governments, non-governmental and community-based organizations, and the public and private sectors were invaluable. A list of all agency or organization SHMT members is included in Appendix A.

CAL OES EXECUTIVE STAFF

Mark Ghilarducci	<i>Director</i>
Grace Koch	<i>Chief Deputy Director</i>
Christina Curry	<i>Deputy Director</i>

CAL OES HAZARD MITIGATION MANAGEMENT

Julie Norris	<i>Chief, Mitigation and Dam Safety Branch</i>
Jennifer Hogan	<i>State Hazard Mitigation Officer Chief, Hazard Mitigation Grants Division</i>

CAL OES MITIGATION PLANNING DIVISION

Adam Sutkus	<i>Chief, Mitigation Planning Division</i>
Ken Worman	<i>Program Manager II</i>
Megan Walton	<i>SHMP Lead Coordinator/ Senior Emergency Services Coordinator</i>
Victoria LaMar-Haas	<i>LHMP Program Lead/ Senior Emergency Services Coordinator</i>
Drew Hammond	<i>Emergency Services Coordinator</i>
Carly Landry	<i>Emergency Services Coordinator</i>
Karen McCready-Hoover	<i>Emergency Services Coordinator</i>

CAL OES HAZARD MITIGATION ASSISTANCE BRANCH

Steven Larson	<i>Program Manager I</i>
Ron Miller	<i>Staff Services Manager I</i>
Jason Williams	<i>Staff Services Manager I</i>
Emily Winchell	<i>Staff Services Manager I</i>

CAL OES DAM SAFETY PLANNING DIVISION

Jose Lara

Program Manager I

A SPECIAL THANK YOU GOES TO ALL ADDITIONAL HAZARD MITIGATION STAFF, CAL OES DIRECTORATES, AND OTHER STAKEHOLDERS WHO CONTRIBUTED TO THE 2018 SHMP!

2018 SHMP CAL POLY STATE UNIVERSITY SUPPORT TEAM

PROJECT MANAGEMENT

Michael R. Boswell, Ph.D., AICP	<i>Project Director (March 2017-September 2018), Project Advisor (September 2016-March 2017), CRP Department Chair</i>	City and Regional Planning Department
W. David Conn, D.Phil	<i>Project Director (September 2016-March 2017), Professor</i>	City and Regional Planning Department
Meg Henry	<i>Project Manager</i>	City and Regional Planning Department

FACULTY SUPPORT ADVISORS

William J. Siembieda, Ph.D., AICP	<i>Project Advisor, Professor</i>	City and Regional Planning Department
Adrienne I. Greve, Ph.D.	<i>Project Advisor, Professor</i>	City and Regional Planning Department
Kenneth C. Topping, FAICP	<i>Senior Advisor</i>	City and Regional Planning Department
Chris Dicus	<i>Project Advisor, Professor</i>	Natural Resources Management & Environmental Sciences Department
Robb Moss Ph.D., P.E.	<i>Project Advisor, Professor</i>	Civil and Environmental Engineering Department

CONSULTANTS

Paula Schulz	<i>State Liaison Consultant</i>	Natural Hazards Mitigation
Carol Schuldt	<i>GIS Consultant</i>	City and Regional Planning Department
Natalie Macris	<i>Plan Editor</i>	Urban & Environmental Planning

GRADUATE STUDENTS/RESEARCH ASSISTANTS

Soroush Aboutalebi	Jesse Carpentier	Kylie Hensley
John Holder	Caitlin Miller	Kaitlyn Marines
Yliana Ortega	Natalia Robles	Carol Ziesenhenne

TABLE OF CONTENTS

Chapter 1 – Introduction.....	1
1.1 Purpose of the Plan.....	1
1.1.1 Vision and Mission	2
1.1.2 California – What’s at Stake?	2
1.1.3 What is Hazard Mitigation?	5
1.1.4 FEMA Review Responsibilities	5
1.2 Plan Overview: How to Use the 2018 SHMP	6
1.2.1 Quick Access to the SHMP by Topic Grouping.....	6
1.2.2 2018 SHMP Chapters	7
1.2.3 Approach for Hazards Identification and Risk Assessment.....	8
1.2.4 What’s New in the 2018 SHMP?	10
1.3 Essential Terminology.....	14
1.3.1 Hazard, Risk, Vulnerability, and Disaster	14
1.3.2 Hazard Mitigation, Preparedness, Response, and Recovery	16
1.3.3 Sustainability and Resilience.....	17
1.3.4 Climate Change Mitigation and Climate Change Adaptation	18
1.4 Institutional and Legal Context.....	19
1.4.1 Federal Laws, Institutions, and Policies	19
1.4.2 California Laws, Institutions, and Policies.....	20
1.4.3 Local Government Laws, Institutions, and Policies.....	23
1.4.4 Private Sector Emergency Management and Hazard Mitigation	23
1.5 SHMP Adoption by the State.....	27
1.6 2018 SHMP Assurances.....	29
Chapter 2 – The Planning Process.....	31
2.1 Cal OES SHMP Coordination Role.....	31
2.2 Preparing the 2018 SHMP Update.....	34
2.2.1 2018 Plan Update Process	34
2.2.2 Coordination Among Agencies and Departments	39
2.2.3 Outreach to Stakeholders	46
2.3 Integration and Coordination with Other Planning Efforts.....	51
2.3.1 Hazard-Specific Mitigation Plans – Primary Hazards	51
2.3.2 Related Mitigation Planning Efforts.....	51
2.3.3 General Plan Guidelines.....	52
2.3.4 Local Hazard Mitigation Planning	53
2.3.5 SHMP Integration with Emergency Management	53

2.3.6	State of California Emergency Plan.....	54
2.3.7	Mitigation Efforts and Disaster Recovery	55
2.3.8	The National Preparedness System	56
2.4	<i>Integration with Climate Adaptation Efforts</i>	<i>57</i>
2.4.1	Climate Change and Emergency Management.....	57
2.4.2	Emergency Management Steps in Safeguarding California Plan: 2018 Update	57
2.4.3	Adaptation Planning Guide Update and Senate Bill 246 Climate Change Adaptation	58
2.4.4	General Plan Guidelines Supporting Climate Adaptation	58
2.4.5	Senate Bill 379 (2015) – Land Use: General Plan Safety Element.....	59
2.4.6	Regional Climate Adaptation Collaboratives	59
2.5	<i>SHMP Review, Evaluation, and Implementation</i>	<i>62</i>
2.5.1	Cal OES SHMP Monitoring and Evaluation Responsibilities.....	62
2.5.2	SHMP Implementation and Maintenance Plan	62
2.5.3	Agencies and Stakeholders Responsible for Implementation	63
2.5.4	Reviewing Progress on Achieving Mitigation Goals	63
Chapter 3 – California’s Mitigation Framework: Goals, Objectives, Strategies, and Priorities		65
3.1	<i>Creating a Strategic Framework for Mitigation.....</i>	<i>65</i>
3.2	<i>Vision and Mission</i>	<i>66</i>
3.3	<i>2018 SHMP Goals and Objectives</i>	<i>67</i>
3.3.1	Reducing Life Loss and Injuries	67
3.3.2	Minimizing Physical Damage and Service Interruptions.....	69
3.3.3	Protecting the Environment	70
3.3.4	Promoting Integrated Mitigation Policy	71
3.4	<i>Types of State Mitigation Strategies.....</i>	<i>73</i>
3.4.1	Direct vs. Indirect Strategies	73
3.4.2	Mandatory vs. Voluntary Strategies	73
3.5	<i>Overview of Strategies for Implementing State-Local Mitigation Capabilities.....</i>	<i>75</i>
3.6	<i>California State Strategy 1: Support Legislative Efforts that Formalize California's Comprehensive Mitigation Program</i>	<i>75</i>
3.7	<i>California State Strategy 2: Strengthen Inter-Agency Coordination Actions, Including State, Regional, Tribal, and Local Linkages.....</i>	<i>79</i>
3.8	<i>California State Strategy 3: Broaden Public and Private Sector Mitigation Linkages.....</i>	<i>84</i>
3.9	<i>California State Strategy 4: Assist Local and Tribal Governments in Implementing Land Use Guidance and Best Practices for Reducing Vulnerability within High Hazard Zones.</i>	<i>85</i>
3.10	<i>California State Strategy 5: Incorporate Climate Change into Local, Tribal, Regional, and Statewide Hazards Profiles, Risk Assessments, and Mitigation Plans</i>	<i>89</i>
3.11	<i>California State Strategy 6: Enhance Collaboration on the Development and Sharing of Data Systems and GIS Modeling.....</i>	<i>90</i>

3.12	<i>California State Strategy 7: Support and Coordinate Monitoring of Progress on State Goals and Objectives</i>	93
3.13	<i>California State Strategy 8: Establish a Mitigation Registry for Communicating Progress</i>	93
3.14	<i>California State Strategy 9: Expand Mitigation Project Loss Avoidance Tracking Through the State Mitigation Assessment Review Team (SMART) system</i>	94
3.15	<i>State Priorities</i>	95
3.15.1	State Priority Determination	95
3.15.2	Priorities Using Federal Hazard Mitigation Funding	96
3.16	<i>State Mitigation Capabilities</i>	98
3.16.1	Legal Foundations of State Capability	99
3.16.2	Types of State Capability	99
3.17	<i>Comprehensive Multi-Agency Mitigation Action Program</i>	101
3.17.1	Multiple Funding Sources	101
3.17.2	Coordination of Mitigation Actions	102
Chapter 4	Profiling California's Setting	103
4.1	<i>State Assets at Risk</i>	103
4.1.1	Population, Economy, and Infrastructure	105
4.1.2	Growth Patterns and Trends	110
4.1.3	Natural Environment	117
4.2	<i>California's Disaster History</i>	122
4.2.1	Statewide Disaster Loss Findings	122
4.2.2	Primary Sources of Disaster Losses	125
4.2.3	Catastrophic Vulnerabilities	125
4.3	<i>Risk Factor: Climate Change</i>	128
4.3.1	What is Climate Change?	128
4.3.2	Projected Impacts	129
4.3.3	California's Climate Change Assessment Program	130
4.3.4	Climate Change and the 2018 SHMP	133
4.3.5	Climate Change Mitigation Efforts	133
4.3.6	Climate Change Adaptation Initiatives	137
4.4	<i>Environmental Justice, Equity, and Hazard Mitigation in California</i>	158
4.4.1	Social Vulnerability	158
4.4.2	Health Equity	160
4.4.3	Hazard Events and Disproportionate Impacts on Environmental Justice Communities and Socially Vulnerable Populations	160
4.4.4	Statewide GIS Analysis of Vulnerability to Hazards	164
4.4.5	Planning, Policy, and Action Implications	173
4.4.6	California's Actions to Address Social Vulnerability and Equity Needs	173

Chapter 5 – California Local Hazard Mitigation Planning 181

5.1	<i>California's Role in Implementing FEMA's LHMP Program</i>	181
5.1.1	Cal OES LHMP Technical Assistance and Training Program	182
5.1.2	The LHMP Submittal and Review Process.....	185
5.1.3	LHMP Maintenance: Implementation and Evaluation.....	187
5.1.4	Way Forward for the Cal OES LHMP Program	189
5.2	<i>Analysis of California LHMPs</i>	191
5.2.1	LHMP Preparation Trends.....	191
5.2.2	LHMP Identified Hazards and Risks.....	194
5.2.3	LHMP Planning and Mitigation Trends and Effectiveness	199
5.3	<i>Hazard Mitigation Planning Resource Guide for Local Jurisdictions</i>	204
5.3.1	Integration of Local and State Mitigation Efforts	204
5.3.2	Local Mitigation Planning Resources	205
5.3.3	Local Coordination and Mitigation Capabilities.....	218
5.3.4	Guide to Community Planning and Hazard Mitigation	232

Chapter 6 – Earthquakes and Geologic Hazards: Risks and Mitigation..... 243

6.1	<i>Earthquake Hazards, Vulnerability, and Risk Assessment</i>	243
6.1.1	Identifying Earthquake Hazards.....	243
6.1.2	Profiling Earthquake Hazards.....	248
6.1.3	Assessment of State Earthquake Vulnerability and Potential Losses	253
6.1.4	Assessment of Local Earthquake Vulnerability and Potential Losses	274
6.1.5	Current Earthquake Hazard Mitigation Efforts	296
6.1.6	Additional Earthquake Hazard Mitigation Opportunities	338
6.2	<i>Landslide and Other Earth Movement Hazards, Vulnerability, and Risk Assessment</i>	341
6.2.1	Identifying Landslide Hazards	341
6.2.2	Profiling Landslide Hazards	342
6.2.3	Assessment of Landslide Vulnerability and Potential Losses.....	350
6.2.4	Current Landslide Hazard Mitigation Efforts	355
6.3	<i>Volcano Hazards, Vulnerability, and Risk Assessment</i>	362
6.3.1	Identifying and Profiling Volcano Hazards	362
6.3.2	Assessment of Volcano Vulnerability and Potential Losses	368
6.3.3	Current Volcano Hazard Mitigation Efforts	372
6.3.4	Additional Volcano Hazard Mitigation Opportunities	374

Chapter 7 – Flood Hazards: Risks and Mitigation..... 375

7.1	<i>Riverine, Stream, and Alluvial Flood Hazards, Vulnerability and Risk Assessment</i>	376
7.1.1	Identifying Riverine, Stream, and Alluvial Flood Hazards	376
7.1.2	Profiling Riverine, Stream, and Alluvial Flood Hazards	377

TABLE OF CONTENTS

7.1.3	Assessment of State Flood Vulnerability and Potential Losses.....	385
7.1.4	Assessment of Local Flood Vulnerability and Potential Losses.....	393
7.1.5	Current Riverine, Stream, and Alluvial Flood Hazard Mitigation Efforts	398
7.1.6	Additional Flood Hazard Mitigation Opportunities	430
7.2	<i>Sea-Level Rise, Coastal Flooding, and Erosion Hazards, Vulnerability and Risk Assessment</i>	<i>438</i>
7.2.1	Identifying Sea-Level Rise, Coastal Flooding and Erosion Hazards	438
7.2.2	Profiling Sea-Level Rise, Coastal Flooding and Erosion Hazards	439
7.2.3	Assessment of Sea-level Rise, Coastal Flooding, and Erosion Vulnerability and Potential Loss.....	445
7.2.4	Current Sea-Level Rise, Coastal Flooding, and Erosion Hazard Mitigation Efforts	453
7.3	<i>Tsunami and Seiche Hazards, Vulnerability and Risk Assessment</i>	<i>464</i>
7.3.1	Identifying Tsunami and Seiche Hazards	464
7.3.2	Profiling Tsunami Hazards	465
7.3.3	Assessment of State Tsunami Vulnerability and Potential Losses	471
7.3.4	Assessment of Local Tsunami Vulnerability and Potential Losses	471
7.3.5	Current Tsunami Hazard Mitigation Efforts.....	475
7.3.6	Additional Tsunami Hazard Mitigation Opportunities.....	480
7.4	<i>Levee Failure and Safety, Vulnerability and Risk Assessment</i>	<i>482</i>
7.4.1	Identifying Levee Hazards	482
7.4.2	Profiling Levee Hazards.....	485
7.4.3	Assessment of Levee Failure Vulnerability and Potential Losses.....	489
7.4.4	Current Levee Failure Hazard Mitigation Efforts	490
7.5	<i>Dam Failure and Safety Hazards, Vulnerability, and Risk Assessment</i>	<i>498</i>
7.5.1	Identifying Dam Hazards – Failures and Overtopping	498
7.5.2	Profiling Dam Hazards – Failures and Overtopping	498
7.5.3	Assessment of Dam Failure Vulnerability and Potential Losses	500
7.5.4	Current Dam Failure Hazard Mitigation Efforts	501
7.5.5	Additional Dam Failure Hazard Mitigation Opportunities	506
Chapter 8 – Fire Hazards: Risks and Mitigation.....		507
8.1	<i>Wildfire Hazards, Vulnerability, and Risk Assessment</i>	<i>507</i>
8.1.1	Identifying Wildfire Hazards	507
8.1.2	Profiling Wildfire Hazards	508
8.1.3	Assessment of State Wildfire Vulnerability and Potential Losses.....	527
8.1.4	Assessment of Local Wildfire Vulnerability and Potential Losses	536
8.1.5	Current Wildfire Hazard Mitigation Efforts.....	540
8.1.6	Additional Wildfire Hazard Mitigation Opportunities.....	564
8.2	<i>Urban Structural Fire Hazards, Vulnerability, and Risk Assessment</i>	<i>565</i>

Chapter 9 – Other Hazards: Risks and Mitigation573

9.1	<i>Other Climate and Weather-Influenced Hazards.....</i>	<i>573</i>
9.1.1	Agricultural and Silvicultural Pests and Diseases	575
9.1.2	Air Pollution	581
9.1.3	Aquatic Invasive Species	592
9.1.4	Avalanches	595
9.1.5	Droughts and Water Shortages	596
9.1.6	Energy Shortage and Energy Resiliency	621
9.1.7	Epidemic/Pandemic/Vector Borne Disease	633
9.1.8	Extreme Heat	643
9.1.9	Freeze	656
9.1.10	Severe Weather and Storms	660
9.1.11	Tree Mortality	665
9.2	<i>Sociotechnical/Technological Hazards.....</i>	<i>676</i>
9.2.1	Hazardous Materials Release.....	676
9.2.2	Oil Spills.....	686
9.2.3	Natural Gas Pipeline Hazards.....	696
9.2.4	Radiological Accidents	705
9.2.5	Train Accidents Resulting in Explosions and/or Toxic Releases	712
9.2.6	Well Stimulation and Hydraulic Fracturing Hazards	723
9.3	<i>Threat and Disturbance Hazards</i>	<i>726</i>
9.3.1	Terrorism	726
9.3.2	Cyber Threats.....	734
9.3.3	Civil Disorder In California	742

Chapter 10 – Grants Management Capabilities and Enhanced Planning Efforts743

10.1	<i>Integration with Other Planning Initiatives</i>	<i>744</i>
10.1.1	Legislative and Policy Integration	744
10.1.2	State Agency Integration	745
10.1.3	SHMP Integration with State and Regional Planning Initiatives	746
10.1.4	Financial Integration	749
10.1.5	Integration with FEMA Programs	750
10.2	<i>Commitment to a Comprehensive Mitigation Program.....</i>	<i>755</i>
10.3	<i>Effective Use of Available Mitigation Funding.....</i>	<i>759</i>
10.4	<i>Overview of FEMA Hazard Mitigation Assistance Programs Administered By Cal OES.....</i>	<i>763</i>
10.4.1	Hazard Mitigation Grant Program (HMGP) Overview	765
10.4.2	Pre-Disaster Mitigation (PDM) Grant Program Overview.....	766
10.4.3	Flood Mitigation Assistance (FMA) Grant Program Overview	766

10.4.4	Cal OES HMA Program Priorities for HMA Grant Funding	766
10.5	<i>Cal OES Hazard Mitigation Assistance Grant Programs: Project Implementation Capability</i>	<i>769</i>
10.5.1	Cal OES Grant Proposal Process	771
10.5.2	Cal OES Grant Administration	782
10.5.3	Programmatic and Financial Monitoring	788
10.5.4	Way Forward for Cal OES Hazard Mitigation Assistance Grant Program	789
10.6	<i>Assessment of Mitigation Actions.....</i>	<i>790</i>
10.6.1	State Mitigation Assessment Review Team (SMART) System	790
10.6.2	Opportunities for Other Mitigation Assessments.....	801

Annex 1– Guide to California Hazard Mitigation Laws, Policies and Institutions

.....Annex 1-1

1.1.	<i>Introduction</i>	<i>Annex 1-1</i>
1.2.	<i>National Flood Insurance Act.....</i>	<i>Annex 1-1</i>
1.3.	<i>Stafford Act.....</i>	<i>Annex 1-2</i>
1.4.	<i>Disaster Mitigation Act of 2000.....</i>	<i>Annex 1-3</i>
1.4.1.	Local Hazard Mitigation Plans.....	Annex 1-3
1.4.2.	Hazard Mitigation Grant Program	Annex 1-3
1.4.3.	Pre-Disaster Mitigation.....	Annex 1-3
1.5.	<i>Other Federal Disaster Laws</i>	<i>Annex 1-4</i>
1.6.	<i>Federal Emergency Management Administrative Directives.....</i>	<i>Annex 1-4</i>
1.6.1.	National Incident Management System (NIMS)	Annex 1-5
1.6.2.	National Response Framework (NRF)	Annex 1-5
1.6.3.	National Preparedness System	Annex 1-6
1.6.4.	Threat and Hazard Identification and Risk Assessment (THIRA).....	Annex 1-6
1.6.5.	National Mitigation Framework.....	Annex 1-7
1.6.6.	Presidential Policy Directives	Annex 1-7
1.7.	<i>California Emergency Services Act</i>	<i>Annex 1-7</i>
1.7.1.	State Emergency Plan	Annex 1-8
1.7.2.	Standardized Emergency Management System (SEMS).....	Annex 1-9
1.7.3.	Role of Cal OES and SEMS	Annex 1-10
1.7.4.	Local Government Coordination.....	Annex 1-10
1.7.5.	Cal OES Administrative Regions	Annex 1-10
1.8.	<i>Relationship of SHMP to Emergency Management.....</i>	<i>Annex 1-12</i>
1.8.1.	Special Note on Relationship of Mitigation and Emergency Plans	Annex 1-12
1.8.2.	Vital Role of SHMP in Emergency Management.....	12
1.9.	<i>State Agency Responsibilities.....</i>	<i>Annex 1-14</i>
1.10.	<i>State Emergency Management and Mitigation Laws</i>	<i>Annex 1-18</i>
1.11.	<i>Local Emergency Management Responsibilities</i>	<i>Annex 1-19</i>

1.12.	<i>Local Hazard Mitigation Responsibilities</i>	Annex 1-19
1.12.1.	Building and Fire Codes	Annex 1-19
1.12.2.	Planning and Zoning	Annex 1-19
1.12.3.	Seismic Zonation	Annex 1-21
1.12.4.	State Responsibility Areas.....	Annex 1-21
1.12.5.	Hazard Mitigation Through Local Land Use Planning	Annex 1-21
1.13.	<i>Relationships of Local Planning Processes to LHMPs</i>	Annex 1-22
1.14.	<i>Utilities</i>	Annex 1-22
1.15.	<i>Business, Industry, and Community-Based Organizations</i>	Annex 1-23

Annex 2 – Public Sector Funding SourcesAnnex 2-1

2.1.	<i>Introduction</i>	Annex 2-1
2.2.	<i>Federal Funding Sources</i>	Annex 2-2
2.2.1.	Federal Emergency Management Agency (FEMA)	Annex 2-2
2.2.2.	Environmental Protection Agency (EPA)	Annex 2-5
2.2.3.	National Oceanic and Atmospheric Administration (NOAA)	Annex 2-6
2.2.4.	U.S. Army Corps of Engineers (USACE) and U.S. Fish and Wildlife Service (FWS)	Annex 2-8
2.2.5.	Department of Housing and Urban Development (HUD)	Annex 2-9
2.2.6.	Bureau of Land Management (BLM).....	Annex 2-10
2.2.7.	U.S. Department of Agriculture (USDA)	Annex 2-10
2.2.8.	Health and Economic Agencies.....	Annex 2-14
2.2.9.	Research Agencies	Annex 2-14
2.2.10.	U.S. Department of Homeland Security.....	Annex 2-16
2.3.	<i>State Funding Sources</i>	Annex 2-17
2.3.1.	Earthquake Hazard Mitigation Funding	Annex 2-17
2.3.2.	Flood Hazard Mitigation Funding	Annex 2-19
2.3.3.	Wildfire Hazard Mitigation Funding.....	Annex 2-23
2.3.4.	Other State Hazard Mitigation Funding.....	Annex 2-24
2.4.	<i>Examples of Local Funding Sources</i>	Annex 2-28
2.4.1.	Napa County Flood Protection and Watershed Improvement Expenditure Plan.....	Annex 2-28
2.4.2.	City of Roseville Floodplain Management	28
2.4.3.	San Francisco Public Utilities Commission Water System Improvement Program....	Annex 2-29
2.4.4.	City of Santa Barbara Land Purchase	Annex 2-29
2.5.	<i>Examples of Alternative Funding Sources</i>	Annex 2-29
2.5.1.	Combined Funding Approaches.....	Annex 2-29
2.5.2.	California Financing Coordinating Committee (CFCC)	Annex 2-29
2.5.3.	Non-profit Government Partnerships.....	Annex 2-30
2.5.4.	Utility Companies.....	Annex 2-30
2.6.	<i>Other Funding Sources and Funded Project Examples</i>	Annex 2-31

2.6.1.	Geological Hazard Assessment Districts	Annex 2-31
2.6.2.	BART Earthquake Safety Bond	Annex 2-31
2.6.3.	Port of Long Beach Mitigation Grant Program	Annex 2-31
2.6.4.	Contra Costa County Keller Mitigation Fund	Annex 2-31
2.6.5.	Measure AA, SF Clean Water, Pollution Prevention, and Habitat Restoration	Annex 2-32
2.6.6.	San Francisco City/County Seismic Improvements	Annex 2-32

Annex 3 – Lifelines Infrastructure and Hazard Mitigation PlanningAnnex 3-1

3.1.	<i>Introduction</i>	<i>Annex 3-1</i>
3.1.1.	Hazard Mitigation and California Lifeline Systems	Annex 3-3
3.1.2.	Cascading Lifeline Failures	Annex 3-5
3.2.	<i>Lifeline Failure Case Examples</i>	<i>Annex 3-5</i>
3.2.1.	Loma Prieta Earthquake - Impact on Water and Transportation	Annex 3-5
3.2.2.	La Conchita Landslide – Impact on Transportation	Annex 3-7
3.2.3.	Naples, Italy, Garbage Strike, San Francisco Combined Sewer Overflow, and Post-Disaster Debris – Impact on Society	Annex 3-7
3.2.4.	New Orleans Levee Failure – Impact on Life.....	Annex 3-8
3.2.5.	Chile Earthquake – Impact on Power, Water, Communication, and Transportation ..	Annex 3-8
3.2.6.	Japan Earthquake and Tsunami - Nuclear Disaster.....	Annex 3-9
3.2.7.	Hurricane Sandy - Gas Shortage	Annex 3-10
3.2.8.	Mississippi Bridge and Oroville Dam Failures	Annex 3-10
3.3.	<i>Lifelines and Systems Concepts</i>	<i>Annex 3-11</i>
3.3.1.	Types of Systems.....	Annex 3-11
3.3.2.	Additional Concepts.....	Annex 3-12
3.3.3.	Using “Decision Trees”: A Fictional Example	Annex 3-14
3.4.	<i>Path Forward for Lifeline Resilience</i>	<i>Annex 3-17</i>
3.4.1.	Assessing Lifeline System Risk	Annex 3-17
3.4.2.	Understanding Other Systems and Interdependencies.....	Annex 3-18
3.4.3.	Information Sharing and Coordination: Lifelines Council and Critical Lifelines Workgroup	Annex 3-21
3.4.4.	Lifeline Mitigation	Annex 3-21
3.5.	<i>Summary</i>	<i>Annex 3-24</i>
3.6.	<i>Resources</i>	<i>Annex 3-25</i>
3.6.1.	Information Sources	Annex 3-25
3.6.2.	References Used in This Annex.....	Annex 3-25

LIST OF APPENDICES

APPENDIX A	– 2018 State Hazard Mitigation Team Roster of Agencies and Stakeholder Organizations	A-1
APPENDIX B	– State Agency Functions: Agency Responsibility Matrix	B-1
APPENDIX C	– Multi-Agency Mitigation Action Matrix	C-1
APPENDIX D	– Progress Tracking Outreach Plan.....	D-1
APPENDIX E	– California Disaster History, 1950-2018	E-1
APPENDIX F	– Hazard Mitigation Legislation Referenced in the 2018 SHMP	F-1
APPENDIX G	– Earthquake Hazard Mitigation Legislation, 1933-2017	G-1
APPENDIX H	– Flood Hazard Mitigation Legislation, 1933-2017	H-1
APPENDIX I	– Wildfire Hazard Mitigation Legislation, 1933-2017	I-1
APPENDIX J	– Top 10 California Repetitive Loss Counties (by total payment) Summary For 2017	J-1
APPENDIX K	– Top 10 California Severe Repetitive Loss Counties (by total payment) Summary for 2017 ...	K-1
APPENDIX L	– Mitigation Grants NOI and SubApplication Processes	L-1
APPENDIX M	– Mitigation Grants Management and Closeout Processes	M-1
APPENDIX N	– GIS Risk Exposure Analysis Methodology	N-1
APPENDIX O	– SHMP Acronym List	O-1
APPENDIX P	– 2018 SHMP References	P-1

LIST OF PROGRESS SUMMARIES

Progress Summary 3.A: Regional Flood Management Planning.....	77
Progress Summary 3.B: The Delta Stewardship Council and the Delta Levees Investment Strategy	77
Progress Summary 3.C: Ongoing Progress on Integrated Climate Adaptation and Resiliency Program (ICARP)	78
Progress Summary 3.D: SHMT Working Group Initiatives	81
Progress Summary 3.E: AB 2140 Implementation	86
Progress Summary 3.F: SB 1241 Implementation Resources	87
Progress Summary 3.G: MyPlan and GIS TAWC	92
Progress Summary 3.H: SMART Post-Disaster Loss Avoidance Tracking	94
Progress Summary 4.A: California Adaptation Planning Guide (APG) Updates	153
Progress Summary 4.B: Additional Local Climate Adaptation Guidance Sources	153
Progress Summary 4.C: Creation of a Coastal Plan Alignment Compass: A Planning Tool for Coastal Communities	156
Progress Summary 5.A: Jurisdictions with Approved and Adopted LHMPs as of May 2017	194
Progress Summary 6.A: HAZUS Earthquake Loss Estimation for California.....	255
Progress Summary 6.B: Cal VIVA III and the Climate Adaptation Strategy Project 6A	274
Progress Summary 6.C: Earthquake Zones of Required Investigation (formerly called Seismic Hazards Mapping Projects) and Other Earthquake Data.....	297
Progress Summary 6.D: EQ Zapp: California Earthquake Hazards Zone Application.....	297
Progress Summary 6.E: University of California Retrofits	306
Progress Summary 6.F: School Retrofit Progress in the Los Angeles Unified School District	309
Progress Summary 6.G: California Residential Mitigation Program	317
Progress Summary 6.H: Seismic Evaluation of Single-Family Dwellings.....	322
Progress Summary 6.I: Mobile Homes	323
Progress Summary 6.J: Marine Oil Terminal Engineering and Maintenance Standards (MOTEMS) Audit Manual ..	327
Progress Summary 6.K: Highway Bridge Retrofits	329
Progress Summary 6.L: Great California ShakeOut Earthquake Drill and Public Readiness Initiative	333
Progress Summary 6.M: Landslide Hazard Mapping	355
Progress Summary 7.A: Flood Laws	399
Progress Summary 7.B: California's Flood Management Programs within the Flood Management System	401
Progress Summary 7.C: Central Valley Flood Management	404
Progress Summary 7.D: Regional Flood Management Planning	404
Progress Summary 7.E: Statewide Flood Management	405
Progress Summary 7.F: Water Plans and the Delta	423
Progress Summary 7.G: Senate Bill 1278—200-Year Floodplain Maps and General Plan Amendments	424
Progress Summary 7.H: California Coastal Commission Sea-Level Rise Policy Guidance.....	456
Progress Summary 7.I: Local Coastal Resources Grant Program	457
Progress Summary 7.J: San Francisco Bay Conservation and Development Commission	460
Progress Summary 7.K: Understanding Tsunami Probability	469
Progress Summary 7.L: Assessing Tsunami Hazards and Potential Losses	472
Progress Summary 7.M: Probabilistic Tsunami Hazard Analysis Mapping Linkage to Mitigation Activities	478
Progress Summary 7.N: Earthquake, High Water, and Levee Failure: Cascading Hazards	489
Progress Summary 7.O: Levee Hazard Mitigation: Evaluation and Repair	491
Progress Summary 7.P: Delta Levees Program.....	493
Progress Summary 7.Q: Lower Elkhorn Basin Levee Setback Project.....	497
Progress Summary 7.R: Dam Inundation Mapping and MyPlan.....	505
Progress Summary 8.A: Senate Bill 1241 (2012) and CAL FIRE's Land Use Planning Program	544
Progress Summary 8.B: Board of Forestry and Fire Protection Research Efforts.....	546

Progress Summary 8.C: Fire Hazard Severity Zone Mapping and State/Local Responsibility Areas	547
Progress Summary 8.D: Strategic Fire Plan.....	553
Progress Summary 9.A: Initiatives and Technology to Combat Pests and Diseases.....	580
Progress Summary 9.B: Partnerships for Environmental Public Health: Imperial County Community Air Monitoring Project	590
Progress Summary 9.C: Marine Invasive Species Act	593
Progress Summary 9.D: California Groundwater and the Sustainable Groundwater Management Act of 2014	618
Progress Summary 9.E: California Solar Initiative.....	628
Progress Summary 9.F: California Public Utilities Commission Solar Programs Invest In Disadvantaged Communities	628
Progress Summary 9.G: Clean Energy Progress Tracking	629
Progress Summary 9.H: California Clean Energy Jobs Act	630
Progress Summary 9.I: Regional Efforts	631
Progress Summary 9.J: Updates for Two Vector-Borne Disease Plans	641
Progress Summary 9.K: Urban Heat Island Index for California	654
Progress Summary 9.L: Management and Control of Risks in Marine Oil Transportation System	694
Progress Summary 9.M: Pacific Gas and Electric Pipeline Safety	702
Progress Summary 10.A: SMART Field Assessment: South Napa Earthquake	795
Progress Summary 10.B: City of Roseville Flood Control Improvement Project Result in Flood Loss Avoidance	799
Progress Summary 10.C: Assessment of Mitigation Efforts in the Areas of the October 2017 Wildfires and December 2017 Wildfires and the January 2018 Debris Flow	800

LIST OF BEST PRACTICES HIGHLIGHTS

Best Practices Highlight 3.A: Hermosa Beach—Integrating Coastal Protection with Land Use Planning.....	89
Best Practices Highlight 4.A: Santa Cruz County Plan for Climate Action and Adaptation.....	157
Best Practices Highlight 4.B: “OutsideIn” Program.....	178
Best Practices Highlight 5.A: Hazard Mitigation Strategy for the 2017 Severe Winter Storms (DR-4301).....	183
Best Practices Highlight 6.A: Successful Update of Alquist-Priolo Map for Lake Tahoe Area Clarifies Fault Location	298
Best Practices Highlight 6.B: California Earthquake Clearinghouse Achievements 2010-2017.....	301
Best Practices Highlight 6.C University of California Seismic Mitigation	307
Best Practices Highlight 6.D: URM Retrofit Program Success in San Luis Obispo.....	313
Best Practices Highlight 6.E: San Francisco Community Action Plan for Seismic Safety and San Francisco’s Soft Story Ordinance	316
Best Practices Highlight 6.F: Mitigating Seismic Vulnerability of Housing.....	319
Best Practices Highlight 6.G: San Francisco Public Utilities Commission’s Water System Improvement Program...325	
Best Practices Highlight 6.H: Devil’s Slide Tunnel Project	361
Best Practices Highlight 7.A: San Mateo County’s Sea Change Program and Sea Level Rise Vulnerability Assessment	448
Best Practices Highlight 8.A: City of San Diego’s Campaign to Mitigate Wildfire Hazard and Protect Sensitive Resources.....	548
Best Practices Highlight 9.A: A Permanent Solution to Water Shortage in East Porterville, Tulare County	615
Best Practices Highlight 9.B: State Water Efficiency and Enhancement Program (SWEET)	615
Best Practices Highlight 9.C: San Francisco Solar and Energy Storage for Resiliency	632
Best Practices Highlight 9.D: Kern County Cooling Centers.....	653
