ENGINEER’S REPORT
GONZALES STREET ALLEYWAY LANDSCAPING AND LIGHTING
ASSESSMENT DISTRICT NO. PK-94-1
City of Watsonville, Santa Cruz County, California
2024/25 Fiscal Year
(Pursuant to the Landscaping and Lighting Act of 1972)

The City of Watsonville’s Assistant Public Works & Utilities Director, Murray Fontes as City Engineer of Work for Gonzales Street Alleyway Landscaping and Lighting Assessment District No. PK-94-1, City of Watsonville, Santa Cruz County, California, makes this report as directed by the City Council pursuant to Section 22500 of the Streets and Highways Code (Landscaping and Lighting Act of 1972).

The improvements, which are the subject of this report, are briefly described as the installation, servicing and/or maintenance of public lighting, landscaping, park and recreational improvements within the assessment district.

This report consists of the following parts:

PART A: Plans and specifications for the improvements to be installed and maintained.

PART B: A description of the land acquired and dedicated for public use.

PART C: An estimate of the cost of the improvements for the 2024/2025 fiscal year.

PART D: A statement of the method by which the undersigned has determined the amount proposed be assessed against each parcel.

PART E: An assessment of the estimated cost of the improvement on each benefited parcel of land within the assessment district for the 2024/2025 fiscal year. The assessment numbers are the assessor’s parcel numbers as shown on the last equalized assessment roll for taxes, or as known to the Clerk.

PART F: A schedule setting forth the estimated total cost of improvements to be paid in installments including the number of installments, fiscal years which installments are to be collected, and the maximum amount of the annual installment in any year, if any.

PART G: A diagram showing all of the parcels of real property within this assessment district. The diagram is keyed to Part E and Part F by assessment number.

PART H: A list of the owner of record and notification address for each parcel to be assessed.

The proposed assessments will be used exclusively to finance the maintenance and operation costs for the alleyway. Assessments are not proposed to be increased over the amount levied in the previous year. Accordingly, the proposed assessments are exempt from the procedures and approval process set forth in section 4 of Article XIII D of the State Constitution (Proposition 218).

Respectfully submitted,

MURRAY FONTES, Engineer of Work
Assistant Public Works & Utilities Director
City of Watsonville
PART A

PLANS & SPECIFICATIONS FOR THE WORK

The work to be done consists of:

   Annual Maintenance (ongoing)
   a) Routine plant care and mowing
   b) Alleyway Maintenance

Plans for the annual maintenance activities have not been prepared. The maintenance program for the alleyway, which describes the work to be done, is available in the office of the Director of Parks and Community Services and is included herein by reference.

PART B

LAND ACQUIRED FOR PUBLIC USE

Assessor’s Parcel Number 016-143-26 was donated to the City for public use at no cost to the City or property owners.

The parcel of land dedicated (the Gonzales Street Alleyway) is shown on the Assessment Diagram included as Part G. Reference is made to the maps on file with the Santa Cruz County Assessor for the detailed lines and dimensions of this parcel.
PART C

ESTIMATE OF COST

1. Annual Maintenance Costs
   a. Plant care, mowing and cleaning
      3 hours per month @ $12.00 per hour x 12 months $ 432.00
   b. Alleyway maintenance $ 168.00
      Total Estimated Annual Maintenance Costs $ 600.00

2. Incidental Expense (by City) 0.00
   Estimated Total Annual Cost 2024/2025 FY $ 600.00

PART D

METHOD OF ASSESSMENT

There are 18 parcels within the block surrounded by High Street, Gonzales Street, Brennan Street, Freedom Boulevard and Sudden Street. Seventeen of these parcels will benefit from the maintenance and upkeep of the alleyway within this block. The 18th parcel, the alleyway, was dedicated to public use and does not benefit.

The benefits to be derived include but are not limited to additional parking, access to garages, open space uses security, and the improvement of the appearance of the adjacent land along back yard property lines. In the opinion of the Engineer, each of the 17 parcels within the block will share these benefits equally with the exception of Parcel Number 016-143-10 that does not “tack” along the alleyway. Therefore, 16 parcels were assessed an equal unit of assessment and Parcel 016-143-10 was assessed 0.75 unit due to the lack of backyard “frontage”.

The amount of a unit of assessment for annual maintenance was calculated by dividing the total estimated annual maintenance cost by the total number of units (16.75).
