IT'S WORKING!
Keep it going over Labor Day Weekend

- Social distance
- Wear your mask
- Wash your hands
Lower Risk

Stay 6 feet away from others even when you wear a face covering.

Wear a face covering (over your nose and mouth) & wash your hands often.

Celebrate with the people you live with.

Celebrate outdoors instead of indoors.

Clean and disinfect shared surfaces often.
Group gatherings are high risk (so try to avoid them)

- Traveling to other communities
- Having parties
- Gathering indoors with people NOT from your household
- Physical contact with others
- Group gatherings are high risk (so try to avoid them)
- Visiting people who are high risk
- Visiting others when sick
- Don’t share food, toys, or other items.

Visiting people who are high risk

- Don’t share food, toys, or other items.
GATHERINGS ARE HIGH RISK
but if you gather, here are some tips:

- Have extra hand sanitizer and face coverings
- Prepare individually wrapped meals or designate a server
- Use paper plates and utensils
- Clean shared surfaces often
- Set up seats 6 feet apart
WHY SOCIAL DISTANCING & WEARING A FACE COVERING IS IMPORTANT.

- High risk
- Some protection
- Even more protection
- Lower risk

6'
PAJARO VALLEY COMMUNITY GROUP WISHES YOU

A HAPPY & SAFE LABOR DAY WEEKEND

“If you take care of yourself, you take care of your family and your community.”
