**Community Event Sponsorship Program
Frequently Asked Questions (FAQs)**

Can programs that are fiscally sponsored by another organization apply?

Yes, however, fiscally sponsored organizations should identify themselves on the application by the name of the organization that is assuming the liability for the event and that will be named on the insurance certificate required by the City.

Can organizations submit applications for more than one event?

Yes. A separate application must be submitted for each event for which sponsorship is requested.

Does this program fund events that take place at locations other than City facilities?

Yes, so long as they need all program criteria.

What if I need to make significant changes (date, location, number of people served) to my event after I am awarded?

Please contact us at pcs@cityofwatsonville.org as soon as possible to ensure that these changes do not affect the eligibility of your event to qualify for sponsorship.
